BULLETIN OF INFORMATION
ALL INDIA PRE-MEDICAL/PRE-DENTAL ENTRANCE
EXAMINATION 1990

INTRODUCTION

In compliance with the directives of the Supreme Court of India, the Central Board of Secondary Education, New Delhi, is conducting the All-India Pre-Medical/Pre-Dental Entrance Examination, 1990. This entrance examination is being conducted exclusively for the 15% Merit positions for the Medical Colleges as specified in the directives of the Court and will be governed by the rules and regulations specified for the same by the Government of India, Ministry of Health & Family Welfare from time to time.

SHORT TITLE

These rules will be called as All-India Pre-Medical/Pre-Dental Entrance Examination rules.

DEFINITIONS

- (i) **"Government"** means Government of India.
- (ii) **"Ministry"** means Ministry of Health & Family Welfare, New Delhi.
- (iii) **"Board"** means Central Board of Secondary Education, New Delhi.
- (iv) **"Medical Examination"** means All-India Pre Medical/Pre-Dental Entrance Examination.
- (v) **"Qualifying Examination"** means Examinations on the result of which the candidate becomes eligible to apply for admission to the All-India Pre-Medical/Pre-Dental Entrance Examination.
- (vi) **"Rules"** means the rules specified by the Central Board of Secondary Education for the conduct of this examination under the directives of the Supreme Court of India as well as Ministry of Health & Family Welfare.
- (vii) **"Scheduled Caste"** means Scheduled Castes as specified and laid down by the Government of India.
- (viii) **"Scheduled Tribes"** means Scheduled Tribes as specified and laid down by the Government of India.
- (ix) **"Council"** means Medical Council of India and Dental Council of India.
- (x) **"Eligible Candidate"** means a candidate who satisfies the requirements of eligibility as prescribed by the Medical Council of India and Dental Council of India.

SCHEME FOR THE CONDUCT OF EXAMINATION

1 DATE OF EXAMINATION

The Examination will be conducted on Sunday, the 13th May, 1990 or as directed by the Supreme Court.

2 SCHEME OF EXAMINATION

- (i) The Examination shall have two papers.
- (ii) **Papers:** Paper - I PHYSICS & CHEMISTRY
Paper - II BOTANY & ZOOLOGY

- (iii) **Duration:** Each Paper shall be of TWO hours' duration:
Paper - I 10.00 AM to 12.00 Noon
Paper - II 2.00 PM to 4.00 PM
- (iv) **Marks:** Each question carries 4 marks. All questions will be of objective type. There shall be negative marking as explained on page 6 and 7.
Answers without any response shall be awarded ZERO marks.
- (v) **No. of Questions:** Each subject shall have SEVENTY FIVE objective type questions and shall carry a maximum of 300 marks.
- (vi) **Syllabus for the examination:** For Syllabus please see Annexure - I to IV.
- (vii) The question papers will be in English only. The candidates will be required to indicate correct answers by encircling the right numeral.

4.3 EXAMINATION CENTRES

- (i) **A List of Cities** where the examination will be conducted is given in Annexure -V.
- (ii) The candidate shall fill in the application form the Code No. of the city from where he/she would be appearing for the examination.
- (iii) **Under no circumstances** the centre once allotted shall be changed by the Board.

4.4 ELIGIBILITY AND QUALIFICATIONS TO APPEAR IN THE EXAMINATION

- (i) He/She has completed the age of 17 years at the time of admission or will complete the age on or before 31st December of the year of his admission to the 1st M.B.B.S./DENTAL Course and is an Indian National.
- (ii) Candidates belonging to Andhra Pradesh and J&K are not eligible. If they claim eligibility they must give an affidavit to the effect that:
 - (a) They are not eligible to seek admission in medical colleges of Andhra Pradesh/J&K; or
 - (b) they are not domiciled in Andhra Pradesh/J&K.
- (iii) **Qualifications:**

CODE: 01:

The Higher/Senior Secondary Examination or the Indian School Certificate Examination which is equivalent to 10 + 2 Higher/Senior Secondary Examination after a period of 12 years study, the last two years of such study comprising Physics, Chemistry, Biology (which shall include practical tests in these

subjects) with English at a level not less than the core course for English as prescribed by the National Council for Educational Research and Training after the introduction of the 10 + 2 + 3 educational structure as recommended by the National Committee on Education.

NOTE: Where the course content is not as prescribed for 10 + 2 educational structure of the National Committee, the candidates will have to undergo a period of one year pre-professional training before admission to the medical colleges.

CODE: 02:

The Intermediate/Pre-degree examination in Science of an Indian University/Board or other recognised examining body with Physics, Chemistry, Biology (which shall include practical test in these subjects) and English.

CODE: 03:

The Pre-professional/Pre-medical examination with Physics, Chemistry, Biology & English after passing either the Higher Secondary Examination or the Pre-University or an equivalent examination. The Pre-professional/Pre-medical examination shall include practical test in these subjects.

CODE: 04:

The first year of the three years' degree course of a recognised University with Physics, Chemistry and Biology including practical tests in these subjects provided the examination is a University Examination and further that he/she has passed the earlier qualifying examination with Physics, Chemistry, Biology and English.

CODE: 05:

B.Sc. examination of an Indian University provided that he/she has passed the B.Sc. examination with not less than two of the subjects Physics, Chemistry, Biology (Botany, Zoology) and further that he/she has passed the earlier qualifying examination with Physics, Chemistry, Biology and English.

CODE: 06:

Any other examination which in scope and standard is found to be equivalent to the Intermediate Science Examination of an Indian University/Board, taking Physics, Chemistry and Biology including practical tests in each of these subjects and English.

To be eligible for competitive entrance examination, candidate must have passed any of the qualifying examinations as enumerated above. Provided also that a candidate for admission to the Medical Course must have obtained not less than 50% of the total marks in English, Physics, Chemistry & Biology taken together at the qualifying examination (or at the higher examination). Provided further that in respect of candidates belonging to Scheduled Castes/ Scheduled Tribes, the minimum marks required for

qualifying examination shall be 40% in lieu of 50% for general candidates.

Provided further that the students of Indian nationality educated abroad seeking admission into medical colleges in India must have passed in the subjects of Physics, Chemistry, Biology and English upto the 12th standard level with 50% marks and their equivalency determined as per regulations of the Medical Council of India and the concerned University. If a candidate does not fall within the qualifications prescribed as per code number 01-06 he/she should furnish complete details to determine eligibility.

CODE: 07:

A candidate who is taking up the qualifying examination prior to the competitive test, or whose result is not declared, may also apply and take up the said test but he/she shall not be eligible for admission to the M.B.B.S. or Dental Course, if he/she does not pass the qualifying examination with the required pass percentage of marks before the last date fixed for joining the medical or dental course.

- NOTE:** (a) The pre-medical courses may be conducted either at a Medical College or a Science College.
(b) After the 10+2 course is introduced the integrated courses should be abolished.

4.5 MODE OF SALE OF BULLETIN OF INFORMATION AND APPLICATION FORM

- (i) The Bulletin of Information containing Application Form can be had against cash payment of Rs. 10/- from Canara Bank, 34 Netaji Subhash Marg, Daryaganj, New Delhi-110002 or any specified branch of Canara Bank given in Annexure VIII.

eg. 3rd September 1970 19th November 1972

0	3	0	9	1	9	7	0
---	---	---	---	---	---	---	---

1	9	1	1	1	9	7	2
---	---	---	---	---	---	---	---

- (d) Only **Indian nationals** are eligible for appearing in the All India Pre-Medical/Pre-Dental Entrance Examination.
- (e) **Category :** If the candidate belongs to a category entitled for special concession say Scheduled Castes, Scheduled Tribes, tick (✓) in the appropriate Box as given in the application form.
- (f) **Address for communication :** Write the complete postal address including the PIN CODE at which the communications are to be sent.
- (g) **State** to which the Candidate belongs:
Fill-in the column with the appropriate codes as given below:-

NAME OF THE STATE/UT	CODE
Andaman & Nicobar Islands	A N
Arunachal Pradesh	A L
Assam	A M
Bihar	B I
Chandigarh	C H
Delhi	D L
Goa	G O
Gujarat	G T

NAME OF THE STATE/UT	CODE
Haryana	H A
Himachal Pradesh	H P
Karnataka	K N
Kerala	K L
Lakshadweep	L D
Madhya Pradesh	M P
Maharashtra	M R
Manipur	M N
Meghalaya	M G
Nagaland	N L
Mizoram	M Z
Orissa	O R
Pondicherry	P O
Punjab	P J
Rajasthan	R J
Sikkim	S M
Tamil Nadu	T N
Tripura	T A
West Bengal	W B
Uttar Pradesh	U P
Others	X Y
*J & K	J K
*Andhra Pradesh	A P

* Candidates from J&K and Andhra Pradesh are required to give an affidavit as indicated in 4.4 (ii)

- (h) **Photograph:** Affix the passport size photograph at the appropriate place in the Application form and in the Admit Card. The photograph should have been taken within one year. The photograph should be attested by the Principal/Head of the Institution or from a Class I Gazetted Officer. Care should be taken that the attestation is done at the bottom part of the photograph and the photograph is not defaced. The photographs should be **firmly affixed** to the application and admit card by gum and **shall not be pinned**. Name of the candidate must be written on the photographs at the top.
- (i) **Admit Card:** The candidates are advised to write full names in capital letters and sign at the appropriate place on the Admit Card provided along with the application form. Affix the photograph firmly, get it attested as indicated earlier. The photograph shall be identical with the one given in the Application Form. Complete postal address with Pin Code should be given. Admit Card will be despatched to the candidates in window type envelope. **CANDIDATE SHOULD NOT write the Roll Number, Centre No. and name of the Centre in the Admit Card. These will be allotted by the Board.**

The Admit Card will be sent to the candidates about **THREE WEEKS** before the conduct of the examination. Candidates must not mutilate the Admit Card or change any entry made therein after it has been authenticated and received by the candidate.

- (j) In case the admission card is not received by the candidate 10 days before the date of examination, he/she should contact the **Officer-in-**

charge, All India Pre-Medical/Pre-Dental Entrance Exam. along with two photographs, bank slip for having deposited the fee and receipt issued by the Post Office for having despatched the application form for getting duplicate admission card.

(k) Candidates should firmly tie or staple together their application form, admit card, fee challan/bank draft and other enclosures, if any. The envelope should be addressed to the **Officer-in-charge, Central Board of Secondary Education, All India Pre-Medical/Pre-Dental Entrance Examination Unit, 17-B, Indraprastha Estate, New Delhi-110002**. The envelope should be superscribed "APPLICATION FORM FOR ALL-INDIA PRE-MEDICAL/PRE-DENTAL ENTRANCE EXAMINATION 1990"

(l) Request for change in any particulars in the application form shall not be entertained under any circumstances.

(m) Incomplete application forms shall be rejected.

4.9 CONDUCT OF EXAMINATION

- (i) The examination will be conducted at various centres on Sunday, the 13th May, 1990.
- (ii) The Examination hall will be opened 30 minutes before the commencement of the test. Candidates are expected to take their seats 15 minutes before the commencement of the examination. If the candidates do not report in time they are likely to miss some of the general instructions to be announced in the Examination Hall.
- (iii) The candidate must show, on demand, the Admit Card for admission to the Examination Hall. Candidate who does not possess the Admit Card issued by the Board **shall not be admitted** to the Examination Hall **under any circumstances**.
- (iv) A seat with a number will be allotted to each candidate. Candidates must find out and occupy their allotted seats.
- (v) A candidate who comes after 30 minutes of the commencement of the examination shall not be permitted to sit in the examination.
- (vi) Candidates shall not be allowed to carry any textual material, printed or written, bits of papers or any other material except the Admit Card inside the Examination Hall.
- (vii) Calculators, Slide Rules, Clark Tables, Electronic Watches with facilities of calculators are not allowed inside the Examination Hall.
- (viii) No Candidate shall be allowed to go outside the Examination Hall till the completion of the **entire duration of time (2 Hours)**.
- (ix) No candidate, without the special permission of the Superintendent, or the Invigilator concerned, is to leave his/her seat or the Examination Room until he/she has finished his/her paper. Candidates should not leave the Hall without handing over their Test

Books and the Answer Sheets to the Invigilator on duty.

- (x) Candidates are advised to bring with them a card board or a clip board on which nothing should be written so that they have no difficulty in marking responses in the Answer-sheet even if the tables provided in the Examination Hall do not have smooth surface, and their own Ball Pen.
- (xi) Smoking in the Examination Hall during examination hours is strictly prohibited.
- (xii) Tea, coffee, cold drinks or snacks are not allowed to be taken into the examination rooms during examination hours.
- (xiii) Use of Electronic/Manual calculator is strictly prohibited.
- (xiv) Candidates shall maintain perfect silence and attend to their papers only. Any conversation or gesticulation or disturbance in the Examination Hall shall be deemed as misbehaviour and the candidate shall forfeit the right to continue to sit in the Examination Hall. The decision of the Centre Superintendent shall be final and conclusive. Cases of unfair means, impersonation etc. shall be dealt with as per rules governing use of unfair means in CBSE Examination.

4.10 DECLARATION OF RESULT

The Central Board of Secondary Education will conduct the examination, evaluate the answer-scripts, prepare the merit list/waiting list, as per the directions of the Supreme Court and also declare the result. After declaration of the result, the Central Board of Secondary Education will forward the merit/waiting list to the Directorate General of Health Services who will, in turn, allocate the candidates to the respective Medical Colleges, Institutions on the basis of merit-cum-preference. Directorate General of Health Services would also communicate with the candidates on all matters pertaining to allocation of candidates to respective Medical/Dental Colleges either themselves or through certain other agency to be identified for this purpose.

4.11 RULES FOR RE-CHECKING/RE-EVALUATION OF ANSWER SHEETS

There will be no re-checking/re-evaluation of answer sheets.

4.12 LEGAL JURISDICTION

- (i) All disputes pertaining to the conduct of examination shall fall within the Jurisdiction of Delhi only.
- (ii) If any person(s) or officer(s) dealing with the conduct of All India Pre-Medical and Pre-Dental Entrance Examination engages himself/herself in act(s) that would result in the leakage of the question paper(s) or attempt to use or help in use of unfair means in this examination shall be liable to prosecution under the Indian Penal Code.

5. GENERAL INSTRUCTIONS FOR THE CANDIDATES

- (i) No enquiries with regard to the date of declaration of result will be entertained either by the Board or the Directorate General of Health Services or the Ministry

of Health & Family Welfare.

- (ii) For those who are unable to appear on the scheduled date of examination for any reason, re-examination shall not be held by the Board under any circumstances.

5.1 MODE OF THE TEST

- (i) The examination shall consist of two tests—one in Physics & Chemistry (combined) and the other in Botany and Zoology (combined).
- (ii) Each paper is of 2 hours' duration and carries 600 marks.
- (iii) Each test is of the objective type. For each test, the candidates will be provided with a sealed Test Booklet containing an answer sheet. In the Test Booklet, there will be 150 items (questions) serially numbered from 001 to 150. Each item will be followed by four responses marked (1), (2), (3) and (4). Of these four responses only one will be the correct or the most appropriate response.

5.2 THE ANSWER SHEET

- (i) The answer-sheet will be found placed inside the sealed Test Booklet. The seal will be broken open by the candidates on the announcement by the invigilator and not before that time and the answer-sheet shall be taken out. The candidates will fill-in the required particulars on the answer-sheet with blue or black ball point pen only.
- (ii) There will be 150 questions arranged in six blocks. At the bottom of each block there will be a row for total of the responses marked 1, 2, 3 and 4 respectively for each block and the candidates must fill the total as illustrated in 5.6.

5.3 WRITING OF PARTICULARS

The candidates will fill-in the required particulars including their name, Roll No. etc. on the answer-sheet with Blue or Black Ball Point Pen in the appropriate boxes. They must not write their Roll Nos. anywhere else on the answer-sheet. The candidates should not write anything below the space marked for "office use only".

5.4 MARKING OF RESPONSES IN THE ANSWER-SHEET

- (i) There will be four alternatives for each of the questions numbered 001 to 150. The candidates will find the correct answer to the question and encircle the number (1, 2, 3 or 4), corresponding to the answer. Candidates must encircle only one number for each question. If they encircle more than one number, it will be treated as wrong answer and will be awarded negative marks.
- (ii) As for example, say the item (question) No.8 in the Test Book reads as follows:-

Qutab Minar is situated in

- (1) Delhi
- (2) Bombay
- (3) Agra
- (4) Bangalore

The correct response to this question is (1) 'Delhi'. The candidate will locate question No. 8 in the Answer-sheet and encircle ① as shown below:-

008 ① 2 3 4

If the candidate does not want to attempt any question, he should strike off all the four responses by a single continuous line as shown below:-

1 2 3 4

5.5 ADDING OF RESPONSE TOTAL OF EACH ROW

As far as possible, do not change answer. If candidates want to change any answer on their answer sheet or do not want any entry made in the answer sheet to be considered for evaluation, blacken it completely. Partially blackened entries will be evaluated for example.

WRONG METHOD

001 ① ② 3 4
002 ① ② 3 4

RIGHT METHOD

001 ① 2 3 4
002 ● ② 3 4

5.6 ADDING OF RESPONSE TOTAL OF EACH COLUMN

At the bottom, the candidates will add up the number of responses marked 1, 2, 3 and 4 respectively for each of the six blocks as shown below in the example:

Question					
001	①	2	3	4	
002	1	②	3	4	
003	1	2	3	4	
004	1	②	3	4	
005	1	2	③	4	
006	1	2	③	4	
007	1	②	3	4	
008	1	2	3	4	
009	①	2	3	4	
010	1	2	3	④	
Total	2	3	2	1	

5.7 SCORING, NEGATIVE MARKING

Each item carries 4 marks. For each correct response the candidate will get 4 marks. For each incorrect response one mark will be deducted from the total score. No deduction from the total score will, however, be made if no response is indicated for an item in the answer-sheet. The candidates are advised not to attempt such item in the answer-sheet, if they are not sure of the correct response. More than one answer indicated against a question will be deemed as incorrect response and will be negatively marked.

5.8 ERASING, CUTTING, OR OVER-WRITING

Candidates are advised not to erase, cut or overwrite on their responses in the answer-sheet. Erasing, cutting or over-writing will be deemed to be an incorrect response and result in deduction of one mark for each such item from the total score.

5.9 ROUGH WORK

The candidates will not do any rough work or writing work on the answer-sheet. All rough work is to be done in the Test Booklet itself.

5.10 PROCEDURE TO BE FOLLOWED IN THE EXAMINATION HALL

- (i) 10 Minutes before the commencement of the Test each candidate will be given a sealed Test Booklet with an answer-sheet placed inside it.
- (ii) Immediately on receipt of the Test Booklet the candidate will fill-in the required particulars on the cover page of the Test Booklet with blue or black ball-point pen only. He/She will not open the Test Booklet until asked to do so by the invigilator.
- (iii) 3 Minutes before the commencement of the Test, the candidates will be asked to break open the seal of the Test Booklet. They will take out the answer-sheet and close the Test Booklet. Each Test Booklet and each answer-sheet are serially numbered. The candidates **should check that the Test Booklet and the Answer sheet each have the same Serial Number.** Any discrepancy detected should be brought to the notice of the invigilator immediately.
- (iv) Candidate will then write particulars in Ball Point Pen regarding Name, Centre of Examination, Roll No., Centre No, Test Booklet Code No., Test Booklet Sl. No. and date of Examination in the columns provided in the Answer Sheet.
After completing this step the candidates without opening the Test Booklet wait for the signal regarding commencement of the Test by the invigilator when only they will open the Test Booklet.
- (v) The Test will start exactly at the time mentioned in the Admit Card and an announcement to this effect will be made by the invigilator.
- (vi) During the examination time, the invigilator will check Admit Card of the candidates to satisfy themselves about the identity of each candidate. The invigilator will also put his signature in the place provided in the Answer-Sheet.
- (vii) The candidates shall bring their own Ball point pens. These will not be supplied by the Board.
- (viii) After completing the Test and before handing over the Test Booklet and the Answer-Sheet, the candidate should check again that all the particulars required in the Test Booklet and the Answer-Sheet have been correctly written.
- (ix) A signal will be given at the beginning of the examination and at half time. A signal will also be given before the closing time when the candidates must stop marking the responses.

6. MERIT LIST

- (i) A list of all successful candidates shall be prepared by the CBSE in order of Merit. A list shall also be prepared by the CBSE in order of Merit for candidates on waiting list. The result shall be published by the CBSE in leading Newspapers. After getting the result from the CBSE, the Directorate General of Health Services shall separately prepare a collegewise Merit List of candidates and intimate the result to various Medical/Dental Colleges/Institutions and also to each of the candidate appearing in the Merit List.
- (ii) In case of two or more candidates obtaining equal marks in the competitive entrance examination, the inter-se-merit of such candidates shall be determined in order of preference as under :-
 - (a) Candidates obtaining higher marks in Zoology in the entrance examination.
 - (b) Candidates obtaining higher marks in Botany in the entrance-examination.
 - (c) Candidates obtaining higher marks in Chemistry in the entrance examination.
 - (d) Candidates obtaining higher marks in Physics in the entrance examination.
 - (e) Candidates older in age to be preferred.

7. METHOD OF SELECTION AND ADMISSION

- (i) Candidates who apply for entrance test and are found eligible will be allowed provisionally to take the All India Pre-Medical/Pre-Dental Entrance Examination at their own cost. The examination will be conducted at the places (cities) as given in Annexure-V.
- (ii) The examination will be conducted at a particular city only if there are sufficient number of candidates for the examination otherwise the candidates will be allotted a centre at some other place.
- (iii) On the basis of merit-cum-preference, the candidate will be given admission in the Medical/Dental Colleges. The candidates exercising their choice for admission both for medical as well as dental colleges will be considered for admission to the Medical College in case they come on merit. The decision of the Directorate General of Health Services shall be final and binding in regard to allotment/admission of candidates to various Medical Colleges/Institutions.
- (iv) The selected candidates will be required to undergo medical examination at the Institution at their own cost on the notified date.
- (v) Provided that if any candidate is not able to report for Medical examination at the Institution on the notified date on medical grounds or due to some other circumstances beyond his or her control and he/she is in the list of selected candidates and his/her parents/guardian come in person on his/her behalf for verification of the original testimonials of the selected candidates and pay the admission fee and submit the original certificates to the college, he/she

will be considered for provisional admission. His/her formal admission will be confirmed only when he/she is found medically fit and fulfils other requirements before the date of commencement of the class.

- (vi) Candidates who fail to attend medical examination on the notified date are liable to forfeit the claim for admission and placement in the Waiting List.
- (vii) On the failure of the selected candidates to report for admission, the vacancies caused would be filled by candidates from the waiting list in order of Merit.
- (viii) No intimation about non-selection or marks obtained in All India Pre-Medical/Pre-Dental Entrance Examination will be sent and no correspondence in this regard will be entertained.
- (ix) Candidates who have been admitted must join their classes on the date to be notified after admission.
- (x) The selection for this admission is liable to be cancelled if the selected candidate does not report to join the classes on the stipulated date or whose particulars are not found correct or who is not found medically fit.
- (xi) In the matter of allocation/admission of candidates to respective Medical Colleges/Institutions, the decision of the Directorate General of Health Services shall be final.

- (xii) Candidates are advised to preserve their admit cards till admission in Medical/Dental Colleges is over.

8. OPTION/ALLOTMENT FOR THE MEDICAL/DENTAL COLLEGES

Each candidate shall have option to select not more than 10 medical colleges or 5 dental colleges in order of preference out of the list at Annexure-VI & VII. In case, he/she cannot be accommodated in any of these medical or dental colleges, he/she shall be allotted any other medical or dental college preferably nearer to his/her place of residence and if he/she fails to join the allotted Medical/Dental College within the prescribed time limit, he/she shall forfeit the right of admission to the Medical or Dental College/Institution under the scheme. The Directorate General of Health Services will allot another candidate to the Institution from the Waiting List.

9. TIME FOR JOINING THE COURSE

The selected candidates shall have to join the undergraduate medical or dental course at the given medical or dental colleges within 30 days from the declaration of the result of the All India Pre-Medical/Pre-Dental Entrance Examination.

SYLLABUS FOR MBBS/BDS ENTRANCE EXAMINATION

PHYSICS**MEASUREMENT**

Dimension and dimensional equations of mechanical quantities, area, volume, velocity, acceleration, momentum, force, moment, energy and work.

MOTION

Displacement, vectors, Newton's First Law, Conservation of Energy and Momentum, Kinematics, Newton's Second Law and definition of force, equations of motion, work, relation between work and energy power, Newton's Third Law, friction, sliding and rolling friction.

CIRCULAR MOTION

Motion of a body in circular orbit, centripetal force, Newton's Law of gravitation Earth's satellites, rigid body rotation, Moment of Inertia, Torque.

WAVE MOTION

Simple harmonic motion, waves and waves propagation in matter, characterisation of wave motion (including phase), coherence, graphical and analytical description in terms of periodicity in time and space, superposition of waves, longitudinal and transverse waves, refraction, dispersion, interference.

OPTICS

Huygen's construction (geometrical), Young's double experiment (idea of path difference)

KINETIC THEORY OF GASES

Basic assumptions, derivations & expressions for pressure, temperature, translational degree of freedom, mean energy,

gas equation, specific heats of gases, relation between C_p and C_v ($C_p - C_v = R/J$)

PHYSICS OF THE ATOM

Bohr's model of atom, his postulates, Origin of spectra, spectrum of hydrogen atom, electron configuration of the atoms.

Photoelectric effect, laws of photo-electric emission.

THERMODYNAMICS

Work and heat, first law of Thermodynamics.

ELECTRICITY

Electric current, thermal effect, Joule's law, chemical effect, magnetic effect-Boit-Savart's law, moving coil galvanometer, moving charge in a magnetic field.

ELECTRO-MAGNETIC INDUCTION

Lenze's law, eddy current, Faraday's law of electro-magnetic induction, self-inductance.

SOLIDS

Structure of solids covalent, vander wall and metallic, electrons in solids, classification of metals.

NUCLEAR PHYSICS

Atomic nucleus, general idea of nuclear force, artificial radio-activity.

ELECTRONICS DEVICES

Thermionic emission, idea of work function, diode non-linear device, construction and characteristics, triode-construction and characteristics, Vacuum Triode.

CHEMISTRY

SECTION A : GENERAL & INORGANIC CHEMISTRY

STRUCTURE OF ATOM

Bohr's model of the hydrogen atom, Pauli's exclusion principle.

MOLECULES AND CHEMICAL BOND

Ionic and covalent bonds and general properties associated with the bonds, Hybridisation, shape of molecules having sp , sp^2 and sp^3 hybridised bonds, Electronegativity and polarity of bonds, hydrogen bonds.

PERIODIC PROPERTIES OF ELEMENTS

Grouping of elements into families, periodic law, Electronic configuration of elements as the basis of periodic classification, General discussion of variation of properties such as valency, atomic size, ionisation energy, electron affinity, electronegativity and metallic character along periods and groups in the periodic table.

CHEMISTRY OF ELEMENTS AND COMPOUNDS

Occurance, isolation, chemical properties and use of nitrogen, phosphorus, oxygen, chlorine, bromine.

SECTION B : ORGANIC CHEMISTRY

INTRODUCTION

- (a) Nomenclature of organic-compounds, Isomerism, Tetrahedral structure, hybridization, sigma and pi bonds.
- (b) Methods of preparation, properties, structure and uses of the following classes of compound :-
 - (i) Hydrocarbons, Alkanes, Alkenes, Alkynes, Benzene.
 - (ii) Chloroform, Iodoform, Carbon tetrachloride, Chlorobenzene.
 - (iii) Hydroxy derivatives : phenols.
 - (iv) Carboxylic acids, substituted acids.

SECTION C : PHYSICAL CHEMISTRY

STATE OF MATTER

Nature of intermolecular forces, kinetic energy and order of constituent species in gases, liquids and solids, Properties of gases, liquids and solids, Kinetic theory of gases.

ENERGETICS

Exothermic and endothermic reactions.

CHEMICAL EQUILIBRIUM

Law of mass action and its application to chemical equilibrium. Le Chatelier Braun principle, factors influencing equilibrium, Ionic equilibria in aqueous solution, solubility product, common ion effect, Modern concept of acids and bases, pH value.

ZOOLOGY

HISTOLOGY

Microscopic structure of animal tissues, Histology of mammalian organs (stomach, intestine, liver, spleen, lung, kidney, pancreas and gonads).

ANATOMY AND PHYSIOLOGY ((with reference to frog)

Skin:	Microscopic structure and its functions.
Skeleton:	Microscopic structure of bone and cartilage, General account of bones of frog.
Digestive System:	Structure of alimentary canal and associated glands, digestive enzymes and their role in digestion, absorption of products of digestion, peristalsis, balanced diet.
Respiratory System:	Structure of respiratory organs, mechanism of breathing, gaseous transport, tissue respiration.
Circulatory System:	Functions of blood and lymph. Microscopic structure of blood and blood vessels. Structures and working of heart, distribution of arteries and veins, circulation of blood, blood coagulation, blood groups.
Excretory System:	Histology of kidney, structure and function of kidney tubules, arrangement of excretory organs.
Nervous System:	General account of brain, spinal cord and nerves, Histology of spinal cord, Reflex actions (simple and conditioned), Sense organs (eye and ear).
Reproductive System:	General arrangement of reproductive organs, histology of testis and ovary.

DEVELOPMENTAL BIOLOGY

Basic features of development in animals. Types of eggs, fertilization cleavage, blastula.

Development of frog upto the formation of primary germ layers, tadpole and its adaptation, metamorphosis of tadpole.

DIVERSITY OF ANIMAL LIFE

Principles of Classification, binomial nomenclature, General classification of animal Phyla upto classes (in-vertebrates) and upto sub classes/order (in vertebrates), with detailed study of the types as indicated:

- (i) Protozoa, Amoeba, Entamoeba, Paramecium, Malaria, Parasitic trypanosomes.
- (ii) Porifera.
- (iii) Coelenterata, Hydra.
- (iv) Platyhelminthes, Taenia solium, T. Saginata.
- (v) Nematelminthes, Ascaris lumbricoides.
- (vi) Annelida Pheretima posthuma (General account and life history).
- (vii) Arthropoda, Cockroach, Insects and diseases. Life histories of housefly and mosquitoes.
- (viii) Mollusca.
- (ix) Echinodermata.
- (x) Chordata, General characters of fishes, General study of frog (Rana tigrina), General characters of birds.

GENETICS AND EVOLUTION (Fundamentals only)

Human genetics - Human chromosomes, sex-determination, sex-linked inheritance. Evicences and theories of organic evolution.

ECOLOGY

- Physical and biological factors influencing organism Food chains, pyramids of numbers, biological equilibrium.

Interspecific associations (symbiosis)

01816

MP-152

BOTANY

ANATOMY AND PHYSIOLOGY OF PLANTS

Meristems - Plant growth and development.

Internal and external regulators of growth and development in plants: Internal structure of stem and secondary growth; Xylem and Phloem-their cell elements and functions, Internal structure of dicot and monocot leaves ; photo-synthesis, history, importance, factors and mechanism, stomatal mechanism, transpiration and respiration, Internal structure of dicot and monocot roots.

Absorption and cell-water relations, transport of water and minerals, turgor and turgor movements.

SYSTEMATICS

Principles of classical and new systematics.

Binomial nomenclature.

Familiarity with taxa.

Systems : Difference between artificial and natural systems, identification of local flora (upto families).

MAN AND ENVIRONMENT

Soil, rainfall and temperature with reference to natural resources.

Our natural resources - their uses and abuses.

Environmental pollution and preventive measures.

CELL BIOLOGY-ELEMENTARY

Introduction: Cell theory : Cell as a unit of life. Tools and techniques of cell studies, Microscopy (use of microscope and Calibration). Elements of microscope. Biomembranes - Transport mechanism, cellular respiration. Cell organelles : their structure and functions. Hormones - their mode of action, Nucleus, chromosomes, DNA structure including events in replication and transcription.

- (a) Discovery of the nucleus - its structure and importance in heredity.

- (b) Discovery of chromosomes - their structure and role in heredity, Parallelism of behaviour between Mendelian factors, chromosome theory of heredity.
- (c) Discovery and structure of DNA, its role in heredity. Replication of DNA, Genetic Code and protein synthesis. Transcription.

GENETICS

Organisation of the heredity material in chromosomes. Equational division. Reduction division, Mitosis and meiosis compared and contrasted. Significance of meiosis. Mendel's laws of inheritance. Discovery of linkage, sex-linked inheritance. Crossing over, stage at which crossing over occurs : Neurospora genetics, Mutation, discovery, types of Mutation and Mutations in diploids. Role of mutations in evolution. Role, in agriculture. Elaboration of Mendel's laws of inheritance: Mono hybrid or Dyhybrid crosses.

Reasons for the success of Mendel in his experiments. Absence of linkage in Mendel's experiments. Why did he not get linkage ? Mendelism as the basis of genetics.

DEVELOPMENT BIOLOGY

Significance of life cycles with special reference to alternation of generations as exemplified in *Escherichia coli*, *Chlamydomonas*, *Spirogyra*, *Funaria*, *Selaginella* and *Pinus* (No structural details).

Developmental stages in angiosperms, seed germination, juvenility, sporogenesis and gametogenesis; Fertilization, vegetative propagation. Differentiation; Abnormal growth in plants.

BOTANY AND HUMAN WELFARE

Man and domestication of plants, important cultivated crop; cereals (wheat & rice), millets, pulses (gram), fibres, oil-seeds (groundnut), sugarcane, vegetables, fruits (mango and banana).

LIST OF CITIES

WHERE ALL INDIA PRE-MEDICAL/ PRE-DENTAL ENTRANCE EXAMINATION WILL BE CONDUCTED

Code No.	Name of the City Centre
01.	ITANAGAR
02.	AGARTALA
03.	PORT BLAIR
04.	SHILLONG
05.	IMPHAL
